

CRESTLINE (SMC-PVT) LTD.

We are one of the leading manufacturers and exporters of Promotional Textile products in Pakistan and we cater to the markets in Europe, USA, and Canada and have an experience of more than **40 years**.

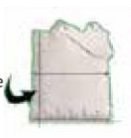

Step 1: An Overview How We Operate

You reach out to us with the product you require. You provide us with the detailed specifications of the product, the fabric details such as the GSM required, pantone reference for the colour required, details of the print and/or embroidery required etc. We quote you a price and provide you with an approximate shipment date.

Step 2:

Once the specifications of the product have been confirmed, our sample department manufactures a sample in natural fabric which is then dispatched to you along with the lab dips of the pantone colour you have specified if there is one within a time span of 10 days.

Step 3:

You provide us with your feedback on the sample along with the lab dips and notify us if there are any changes to be made. If there are major changes, we dispatch another sample to you for approval.

Step 4:

Once the pre-production sample has been approved, we proceed with bulk production and we deliver the ordered quantity to you within the time -frame we have specified.

General Lead Time (without customization)

- Sampling: 15 days from order confirmation/receipt of print artwork
- Bulk production: 90 days after the approval of Pre-production samples
